

Guidance Notes

for the Competition Grant Application

England Athletics will partner with competition providers to financially support different levels and types of competition for the remainder of the 2020 Track and Field Season. We are seeking partnership with organisers who provide innovative; low numbers; short format; style competition, both mid-week and at weekends. Grants of up to £500.00 will be awarded based on the application submitted by the competition provider. The closing date for applications is the 8th August.

If you are interested in applying for a grant for your competition, please see guidance below on the type of competition England Athletics will support throughout August and September. This plan is in line with the competition framework agreed by competition providers, the Home Countries and UKA.
