6.2 The National Council and Regional Councils have been meeting regularly and they have played an active role in the online Regional Club Forums.

6.3 **CJ** requested that the Board consider fast tracking the formation of the Strategy Group to take forward Phase Two of the Strategy Plan and suggested that this should start in **July 2020**.

**Resolved and Actions:**

1.) The Board noted the contents of the report.

2.) The Board agreed to initiate Phase two of the Strategy Plan and asked the Exec to take forward the work in this area to the Nominations Committee, to enable a review of continuity from stage one to two to be maintained and enable feedback to be forthcoming for the next Board.
7. **ANNUAL AUDIT 2020 PROCESS AND 19-20 YEAR END OUTTURN**

7.1 Statutory Accounts will be presented to the Board as a draft in July for final sign off in September.

7.2 Draft Management Accounts have been completed, with some more work to be carried out before the Audit.

4.) The Board agreed the upcoming items from A&AC (and Governance Committee) for agreement / approval at the July Board meeting, covering the Reserves policy and compliance with the Sports Governance Code.

8. **NOMINATIONS COMMITTEE PROPOSALS**

8.1 It was noted that the Elected Director position is a direct representative of the sport and so it was important to ensure that an election could be facilitated.

8.2 The critical difference between the election process and the appointments (that had been extended) was that the election didn’t involve an interview procedure and in those circumstances there seemed to be no reason to depart from the established governance process.

**Resolved and Actions:**

1.) The Board agreed to extend LH tenure for 1 year and her service expiry would be October 2021. If LH was successful in retaining her position, her new appointment would be for 3 years, taking into consideration her initial 5-year service as an Independent Director.

2.) The Board agreed to confirm the proposal made from the Nominations Committee and approve an election this year for the Elected Director position and NC will step down from his position in October 2020.

3.) The Board agreed that the Exec should put in place the necessary arrangements for an election to take place and advertise the Elected Director position. As much of this procedure should be converted to on-line capability.

- Reduction of staff travel, and meetings will only be held for what is deemed to be essential.
